

A vibrant night scene of the Disney Castle, illuminated with warm orange and yellow lights. The castle's spires and turrets are silhouetted against a deep blue night sky. Several colorful fireworks are exploding in the sky, with streaks of light trailing across the frame. The entire scene is framed by a large, ornate archway with a checkered pattern. The archway is supported by two large, fluted columns. The overall atmosphere is magical and celebratory.

Summer Disney Camp

July 19th/21st/22nd/23rd

Monday
